

Survey on Effective Feedback on Digital Educational Materials

Please use the "Next" and "Back" buttons at the bottom of the screen when navigating between pages.

P006

Profile

Please answer the following questions.

Years of Teaching Experience

P001 

School Type (e.g., Elementary, Middle, High School...)

P003 

Subjects You Have Taught

P004 

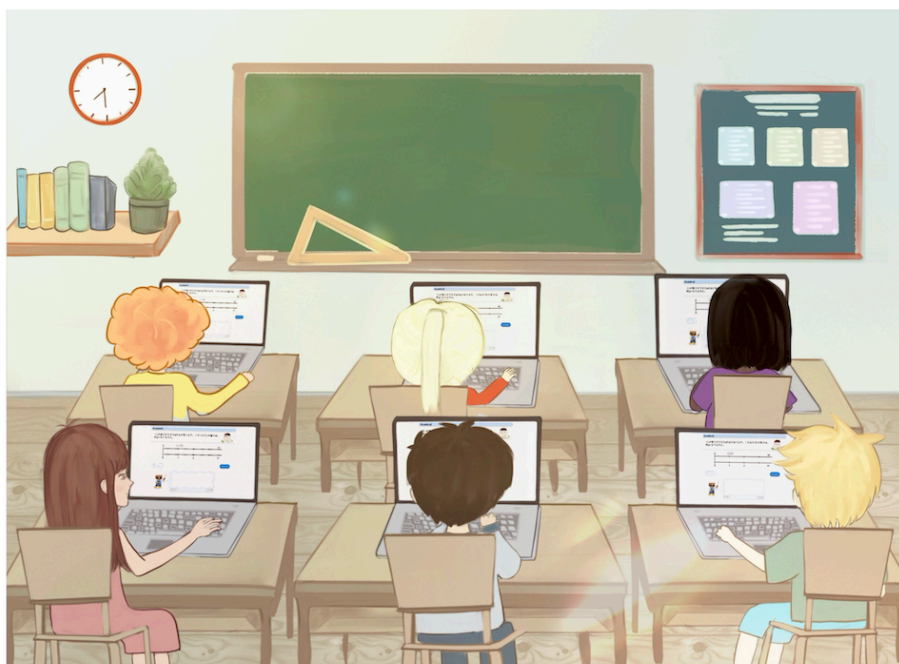

What is the most important educational philosophy you prioritize in your daily teaching? (e.g., teaching in a way that's easy to understand, creating enjoyable lessons... etc)

P005 

Scenario1/4

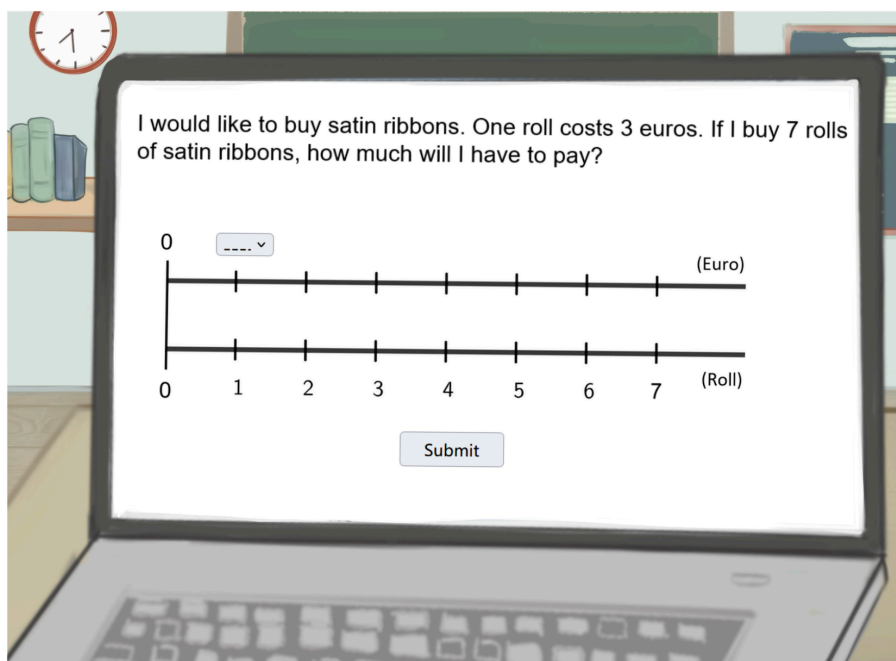

Please read the scenario and answer the following questions.

Scene ①

All students are working on math problems on PC in classroom.

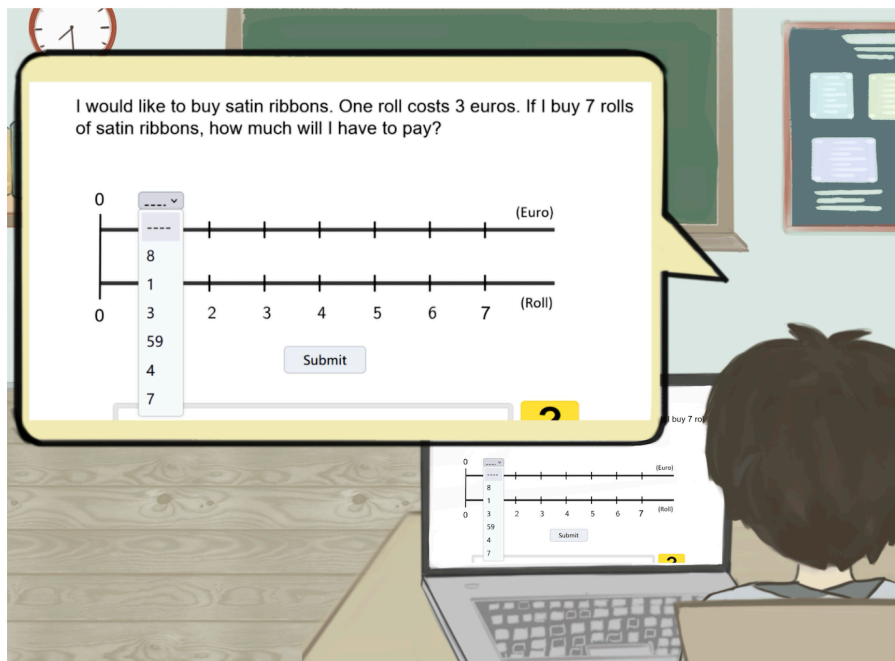

Scene ②

He is working on this math problem.

There are numberlines to represent the problem sentences.

The system displays one blank on each numberline. He selects the answer on the blank.

Scene ③

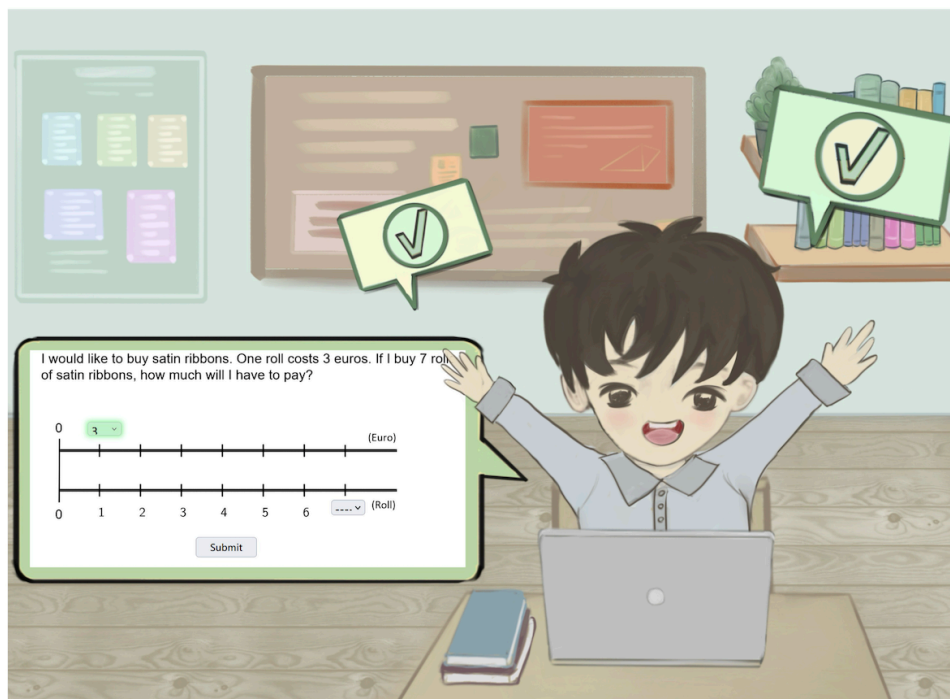

Now, he is solving the first step.
He can select the answer from
options (Number: 8,1,3,59,4,7).

Scene ④

This problem is difficult for him.

He is working hard to solve it.

Scene ⑤

He was successfully able to answer the step correctly.

If you were the teacher in this scenario, what kind of feedback (encouragement) would you give to the student in Scene ⑤?

SC01

In Scene ⑤, how effective do you think the following feedback (encouragement) is in enhancing students' learning effect?

EV01

Not at all
effective

Extremely
effective

“Good job.”

☐ ☐ ☐ ☐ ☐ ☐ ☐

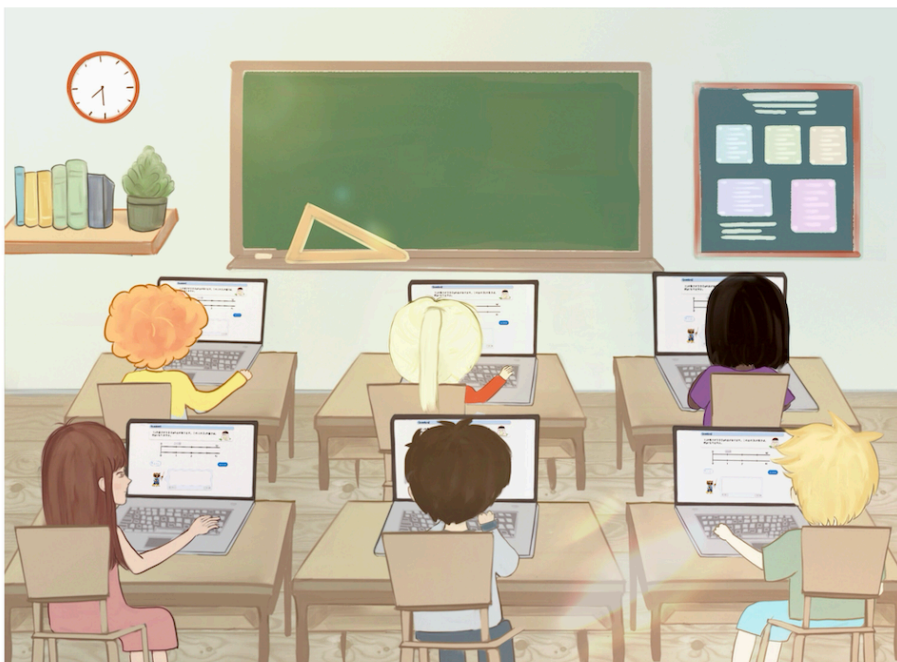

“You’ve worked really hard so far.”

☐ ☐ ☐ ☐ ☐ ☐ ☐

Scenario2/4

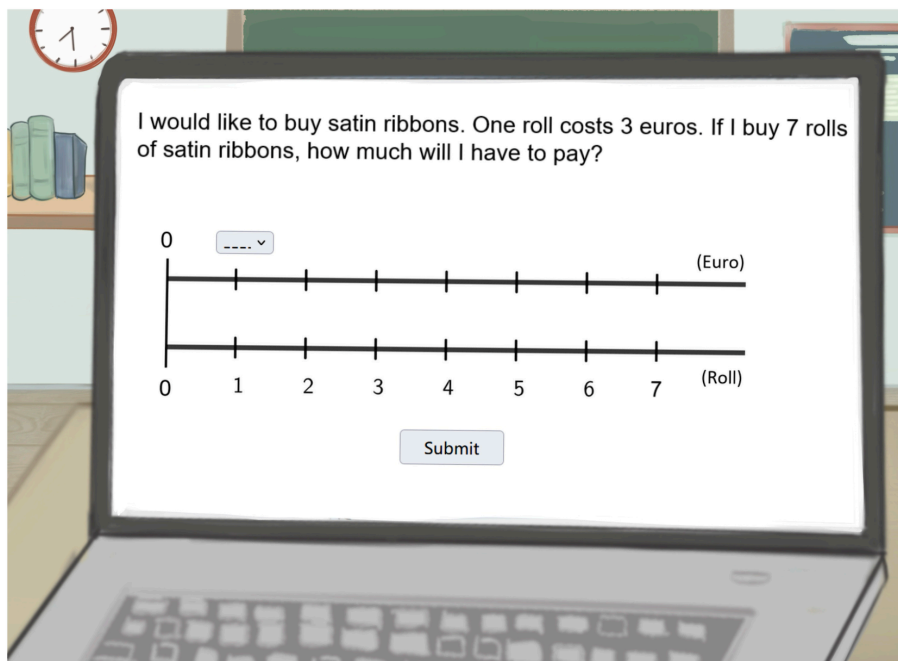

Please read the scenario and answer the following questions.

Scene ①

All students are working on math problems on PC in classroom.

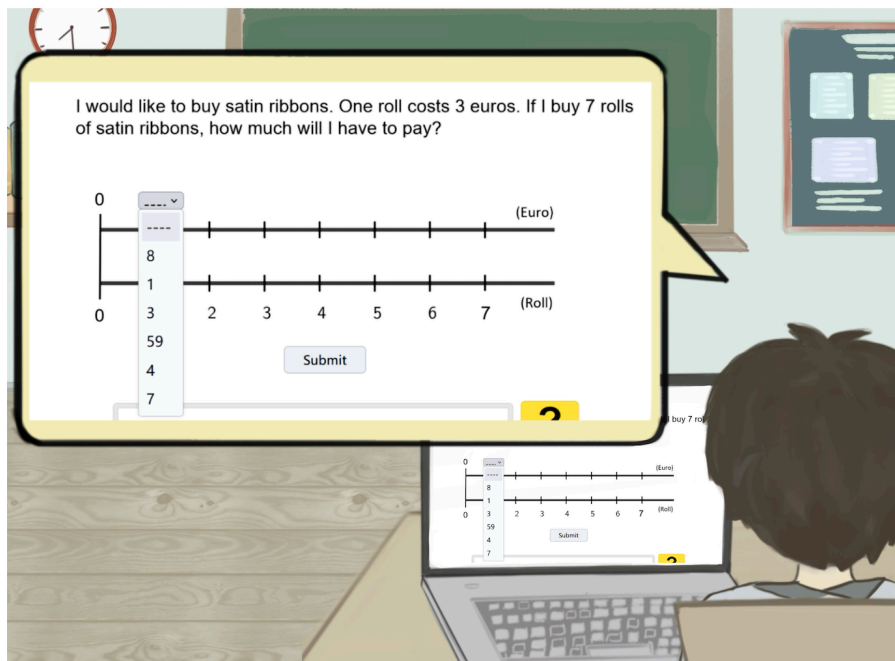

Scene ②

He is working on this math problem.

There are numberlines to represent the problem sentences.

The system displays one blank on each numberline. He selects the answer on the blank.

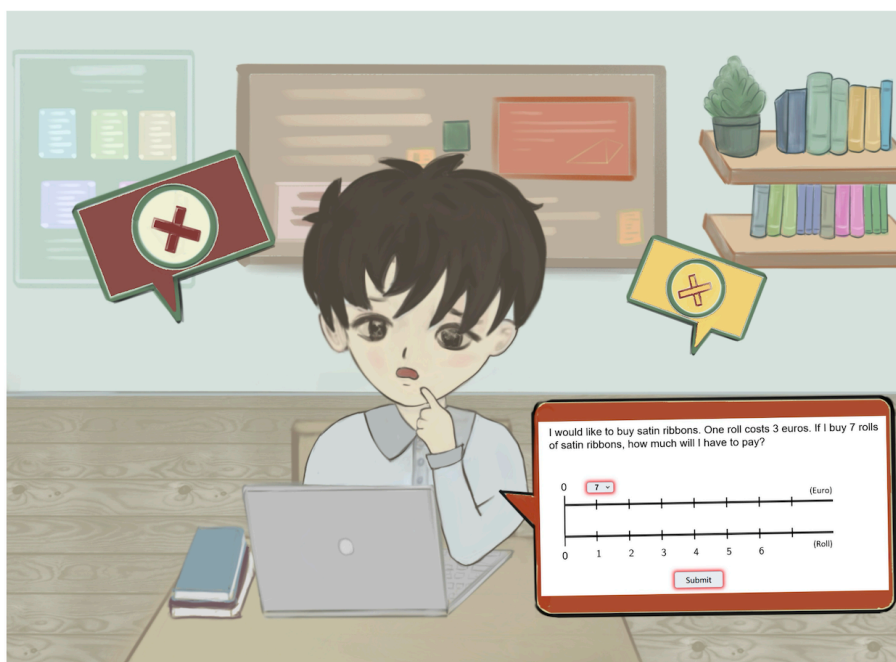

Scene ③

Now, he is solving the first step.
He can select the answer from
options (Number: 8,1,3,59,4,7).

Scene ④

This problem is difficult for him.

He is working hard to solve it.

Scene ⑤

He selected “7” and got wrong answer.

If you were the teacher in this scenario, what kind of feedback (encouragement) would you give to the student in Scene ⑤?

SC02

In Scene ⑤, how effective do you think the following feedback (encouragement) is in enhancing students’ learning effect?

EV02

Not at all
effective

Extremely
effective

“Incorrect.”

☐ ☐ ☐ ☐ ☐ ☐ ☐

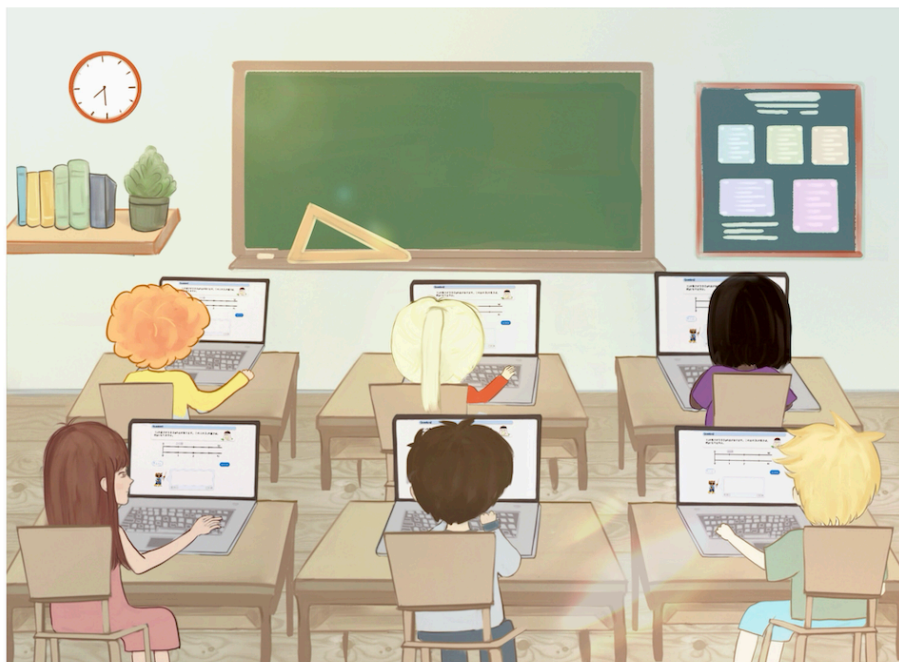

“It’s okay! Persistence is power.”

☐ ☐ ☐ ☐ ☐ ☐ ☐

Scenario3/4

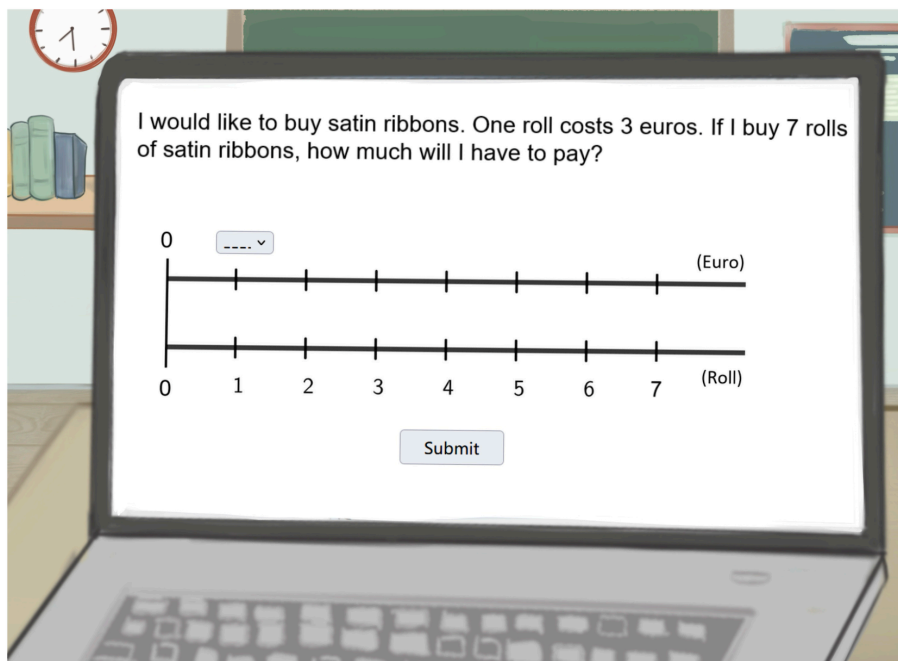

Please read the scenario and answer the following questions.

Scene ①

All students are working on math problems on PC in classroom.

Scene ②

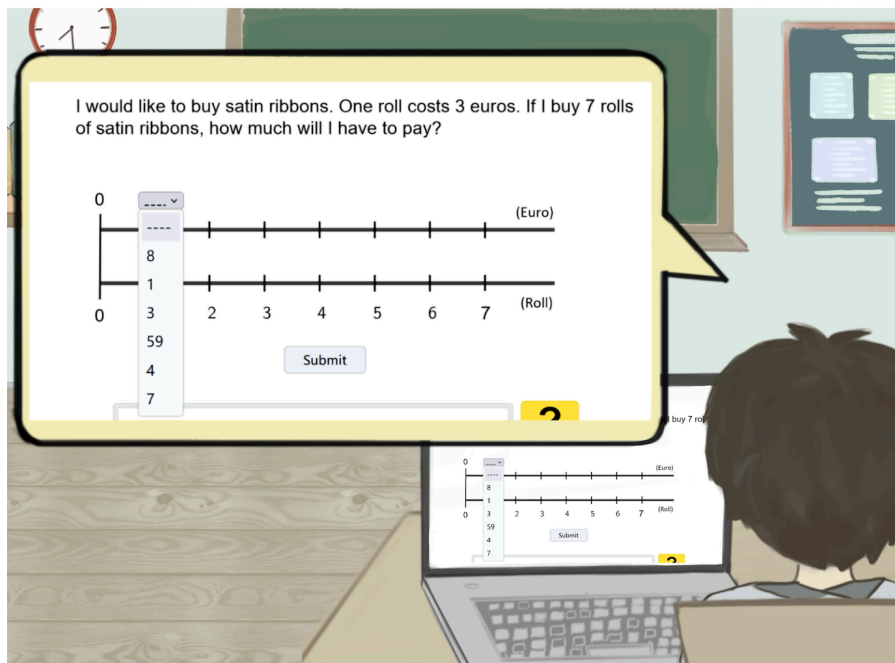

He is working on this math problem.

There are numberlines to represent the problem sentences.

The system displays one blank on each numberline. He selects the answer on the blank.

Scene ③

Now, he is solving the first step. He can select the answer from options (Number: 8,1,3,59,4,7).

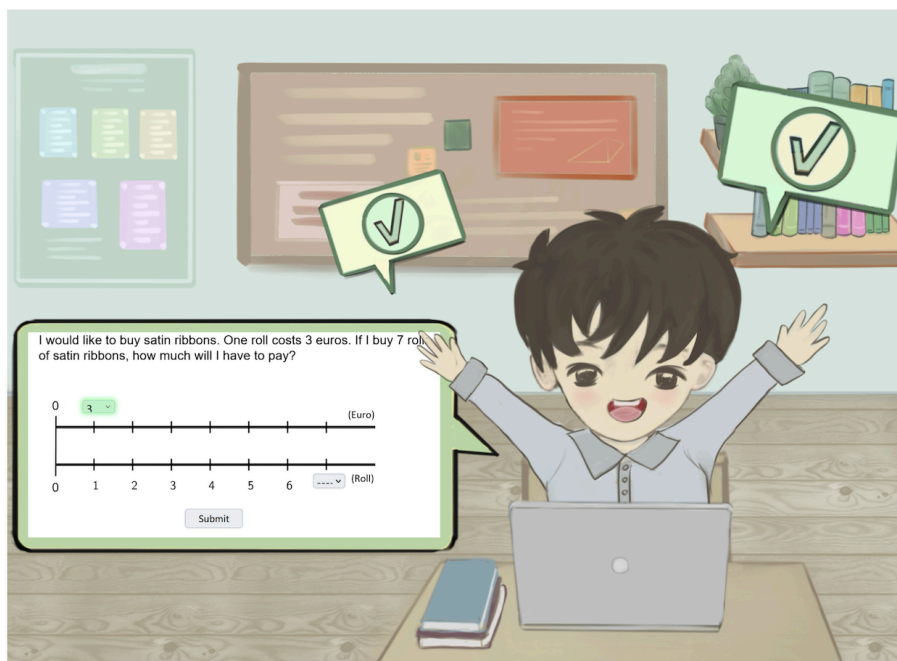

Scene ④

This problem is easy for him.

He did not feel effort.

Scene ⑤

He was successfully able to answer the step correctly.

If you were the teacher in this scenario, what kind of feedback (encouragement) would you give to the student in Scene ⑤?

SC03

In Scene ⑤, how effective do you think the following feedback (encouragement) is in enhancing students' learning effect?

EV03

Not at all
effective

Extremely
effective

“Good job.”

☐ ☐ ☐ ☐ ☐ ☐ ☐

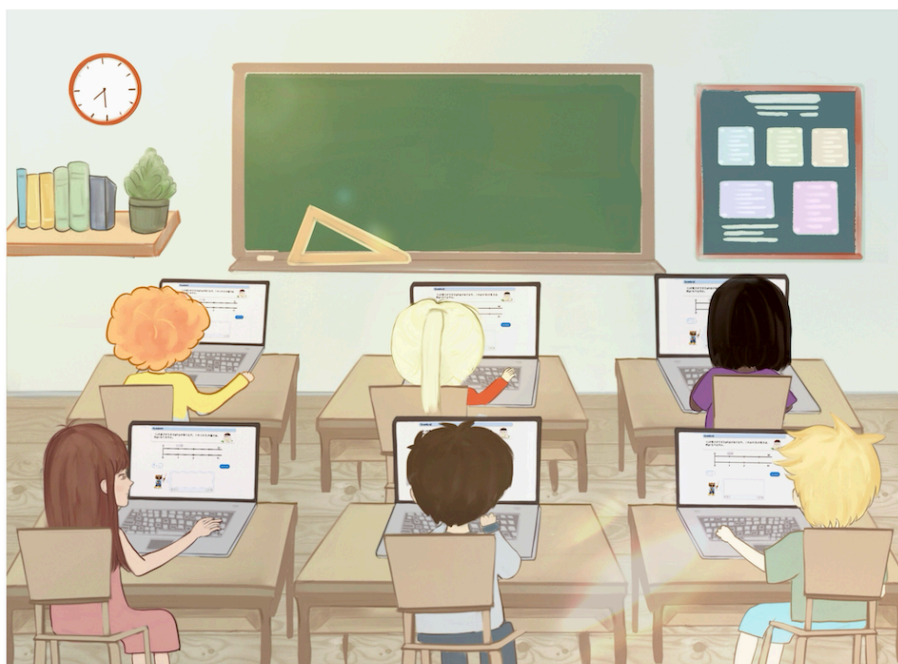

“You’ve worked really hard so far.”

☐ ☐ ☐ ☐ ☐ ☐ ☐

Scenario4/4

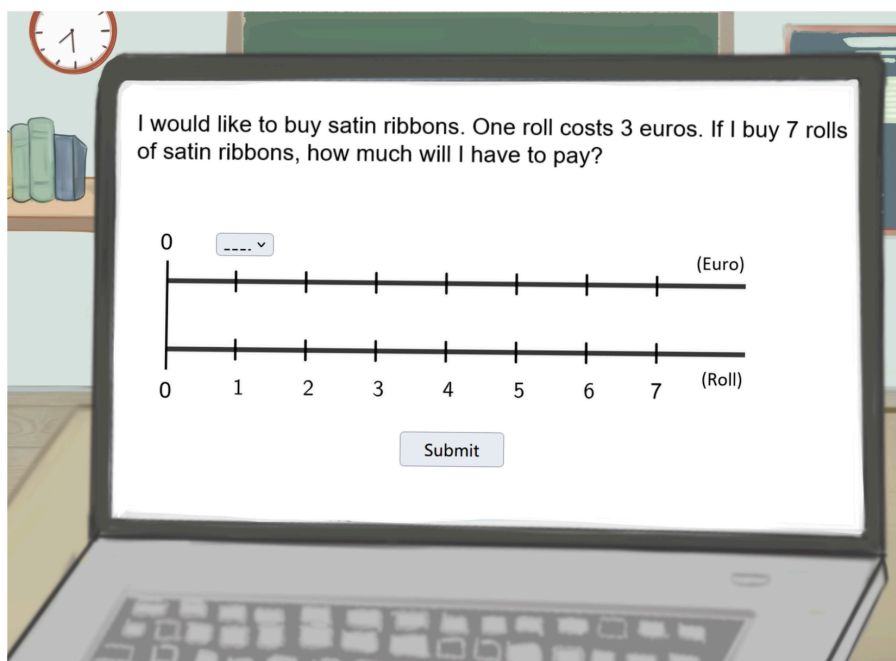

Please read the scenario and answer the following questions.

Scene ①

All students are working on math problems on PC in classroom.

Scene ②

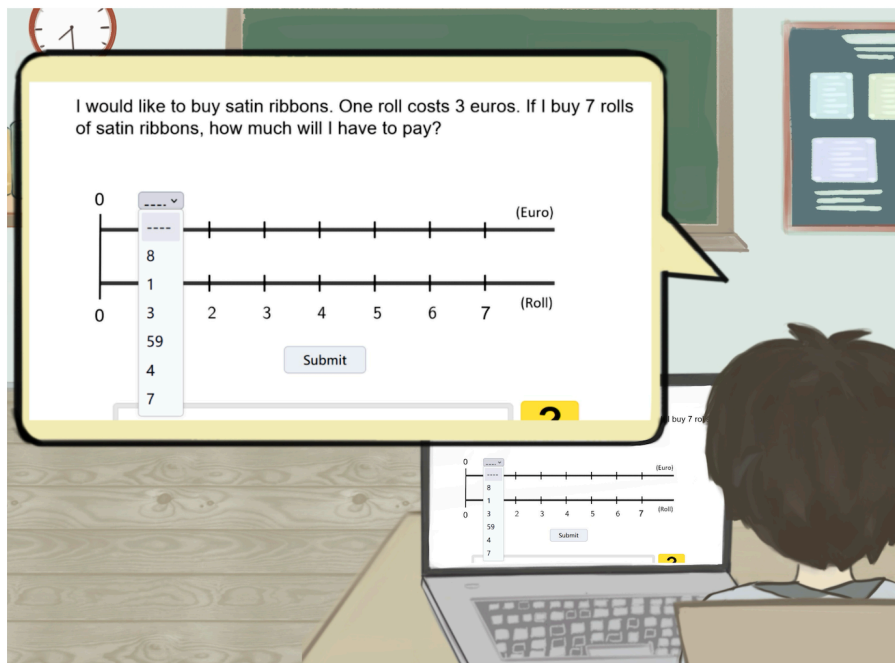

He is working on this math problem.

There are numberlines to represent the problem sentences.

The system displays one blank on each numberline. He selects the answer on the blank.

Scene ③

Now, he is solving the first step.
He can select the answer from
options (Number: 8,1,3,59,4,7).

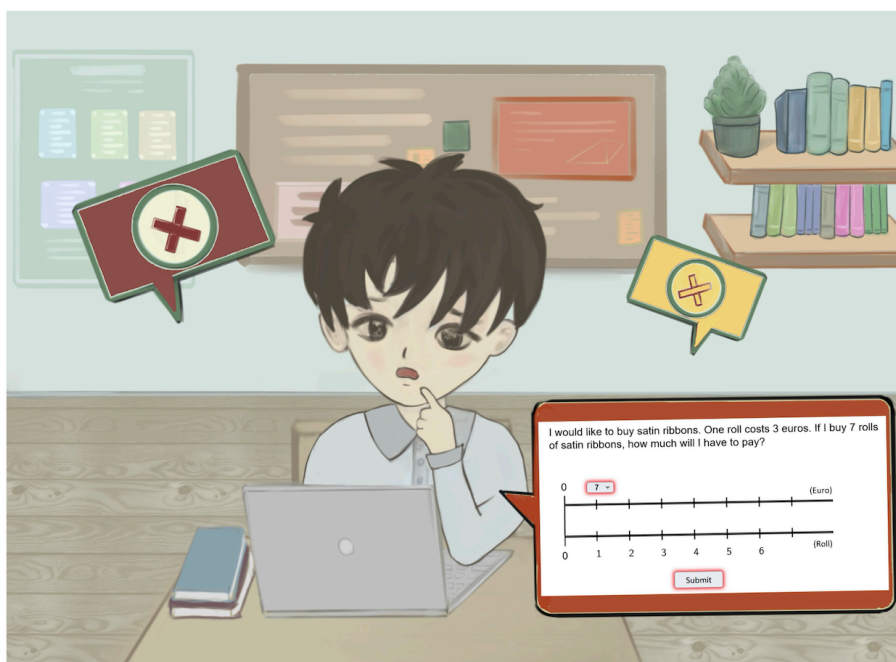

Scene ④

This problem is easy for him.

He did not feel effort.

Scene ⑤

He selected “7” and got wrong answer.

If you were the teacher in this scenario, what kind of feedback (encouragement) would you give to the student in Scene ⑤?

SC04

In Scene ⑤, how effective do you think the following feedback (encouragement) is in enhancing students’ learning effect?

EV06

Not at all
effective

Extremely
effective

“Incorrect.”

☐ ☐ ☐ ☐ ☐ ☐ ☐

“It’s okay! Persistence is power.”

☐ ☐ ☐ ☐ ☐ ☐ ☐

OP02

Open-ended question

If there is anything you are particularly mindful of when giving feedback (encouragement) to students during lessons, please let us know.
